The efficacy of advertising was demonstrated to Dr. S. R. Harover Wednesday in a satisfactory manner. He inserted a two-line lost notice in THE LEDGER calling for the return of a valuable pair of surgeon's curved scissors. SOCIAL EVENTS

The reception at her home at Needmore given a few days since by Mrs. Mary E. Galbreath, mother of Miss Mollie Howard, who was married last week to Mr. Dye Collins of Mayslick, was one of the most brilliant of the social affairs of that community.

Among the guests were Mrs. W. H. Hawes and son of this city.

Mrs. H. M. Cracraft of Mayslick presided at the piano, and a delightful menu was served in three courses, the first consisting of meats, salads, pickles, punch, potato chips, cranberries and oysters; second of orange and lemon ices, cake and candies in pink and white; the third of olives, cheese and coffee. The table and dining hall were exquisitely decorated in huge white and pink chrysanthemums and pink and white candles.

The presents which Mr. and Mrs. Collins were made the recipients numbered over fifty.

Mr. and Mrs. H. H. Goodwin delightfully entertained Thursday evening in honor of their guests, Misses Myrnie Gillespie and Ella Mae Summers, Messrs. I. M. Vandavenport and D. S. Gillespie. Music added to the charms of the pleasant hours. Refreshments were served.

POLICE CHANGES

Scramble For the Honor of Being One of the Finest

There will be two places on the Police force to fill, granting that Ryan and Senteny are retained.

Mr. Harry A. Ort having been elected Chief creates a vacancy, and Policeman J. P. Wallace says he will not be an applicant for a place on the force.

The force as now constituted is a good one. Each officer has discharged his duty in a fearless and vigilant manner, and in that is deserving of praise and approval by the community.

It is hoped out of the ten or fifteen aspirants already announced, with probably more to follow, equally as good men will be chosen as Policemen.

It is not every man that has the necessary qualifications for the making of a good officer, and the City Dads should exercise great care in making a selection.

WHILE it is bad enough, it might have been worse; instead of a landslide, it might have been an earthquake.

THE Bowling Green man who broke the family washboard over his wife's head and smashed his daughter with the mantel clock is now hitting the rockpile with the city hammer.

THE Newport City Council some time ago passed an ordinance requiring that none but Union Labor should be employed on public work; and now the constitutionality of the ordinance is to be tested in the Courts—with almost a certainty that they will declare it "class legislation."

SENATOR FORAKER has a way of saying things that mean something. Here are his views on the recent Republican defeat in Ohio—

"The defeats we have sustained in the city and state have no relation to National politics, but were due solely to the local causes. Whether rightly so or not, the belief obtains that the great mass of the voters have not had any proper representation in nominating Conventions, and that a man with an ambition to engage in the public service had no opportunity unless he was fortunate enough to be put on a pre-arranged slate. It was natural to expect that sooner or later this would be rectified.

"In large part that is what the defeats of yesterday meant. It will be easy to cure this trouble. The way is to return to the old-fashioned practice of having real conventions, at which all who aspire to nominations will have an equal chance."

This advice is just as applicable to Mason county as it is to Ohio, where the control of the party machinery was absolute, with Boss Cox in charge of the whole outfit.

In confirmation of the charges of election frauds made by the Fusionists in Louisville, The Courier-Journal, champion of the "Gang," makes the following unique explanation as to how certain ballot-boxes were "smashed"—

"Some of the ballot-boxes brought in from the Twelfth Ward had the appearance of having been through a cyclone. The ballot-box from the Thirty-eighth Precinct was badly smashed and dented, and was sealed over with a rope, one of the locks being gone. Upon examination it was proved to be all right and receipts were given for it. The two boxes from the Thirty-second and the Twenty-eighth Precincts of the same Ward were also in somewhat of a disorderly condition, but the seals were intact and the proper documents properly signed in the proper places by the proper officers.

"With the ballot-boxes from the Twenty-sixth, the Twenty-fourth and the Eighteenth Precincts of the same Ward, the three referred to above as being somewhat battered, were of tin and not the regular galvanized iron boxes such as were given out. The six boxes, as they had left the Clerk's office, were returned and found to be empty. The battered boxes were made so in the trip to the Clerk's office, having been taken there in wagons and having borne the weight of the officers, who sat on them."

By the way, the officer who sat on that box from the Thirty-eighth Precinct ought to fish around and see if he can find that missing lock in the bosom of his trousers.

And then The Courier-Journal's report goes on—

"Through the mistakes of certain of the officers of the election in the various Precincts, the ballots were returned to the Clerk's office in an irregular condition. In these cases, when the mistakes could not be rectified, the officers who had brought the boxes signed the receipt admitting the discrepancy. Three of such cases were from the Eleventh Ward. The returns from the Sixth Precinct showed the backs of the ballot tab, no returns and no tally-sheet. The returns from the Thirty-eighth Precinct showed no tally-sheet. The returns from the Twentieth Precinct of the Twelfth Ward were brought in without a count having been made for the reason of the disturbance. The Clerk refused to accept the returns and the count was made by two of the officers of the election in one of the offices at the Courthouse. It was then received and the receipts given for the returns as signed by only two of the officers.

"Numerous other discrepancies of little or no importance were found, such as missing seals, tally-sheets or failure to place the ballots in the proper envelopes."

To be sure, from the "Gang" standpoint, it is "of little or no importance" for only two officers of the election to make the count of votes at a place distant from the voting place, &c., et-cet-e-ra.

MISTAKES.....

Are frequently far-reaching, and universally so when one buys any article other than the very best in the way of supplies for the table. The country is full of stale, inferior and poisonous stuff, which is every day being palmed off on an unsuspecting public for good and wholesome foods. Because of this the straightforward, honorable and conscientious dealers throughout the country are united in an effort to induce Congress to pass a universal pure food law which will prohibit the manufacture and sale of impure and poisonous foods, such as are now being sold by unscrupulous dealers, and consequently drive out of business all the "cheap johns" who concern themselves only in such stuff. I began business in Maysville over twenty-five years ago determined to only handle the best, act honorably with my customers and never misrepresent anything to make a sale. Whatever of success I have had with you I attribute to at all times standing by that determination. My experience of more than forty years in the business has qualified me to know the good from the bad when making my purchases, and has also satisfied me the true road to success is to deal fairly and honorably with the public, sell the best goods at fair prices and never practice deception to make a sale.

I am now getting in my larger purchases for the fall and winter trade and I do not hesitate to say that when all in and opened up I shall have the largest, cleanest, most varied stock of high grade goods ever offered in our city. My stock of Canned Goods and Fancy Groceries of all kinds will be immense, bought at the lowest prices any jobber can buy them, very much lower than such goods could be bought at today, consequently I shall be prepared to meet any and all competition. My special brands of Red Canvas Hams and Breakfast Bacon and fine Leaf Lard are becoming more popular each day with those who only want the very best.

Perfection Flour is the leading flour and the sales are increasing rapidly because it has been proved to be the best and purest sold in this market; always reliable. I don't have to be continually changing to find something better. It is truly what the word implies—Perfection.

In fine Blended Coffees I have the run, because I sell only the best at reasonable prices, always fresh, still going at 15c. 20c and 25c. I want every person to visit my store, and a special invitation is extended to country people when in our city to make my house their headquarters. You are always welcome, and it will be the old-fashioned Kentucky kind. I pay cash for Butter, Eggs, Poultry and Country Produce such as I need in my trade, but will only buy the very best. If I please you I want you to be sure and tell all your neighbors and friends. If anything wrong, come direct to me and don't mention it to any one else; I make everything right.

Mrs. Arthur Henry, wife of the novelist, probably owns more trees than any other woman in America. Some of them grow on the mile square tract owned by the Henrys in the Katakilla, but most of them are on other people's land.

Dr. Barnardo, the London philanthropist, who died recently, had a startling way of protecting the papers upon his desk from the devastating tidy housemaid. He kept a couple of snakes in the waste paper basket underneath, and the scheme worked like a charm.

The Rev. Dr. Arthur S. Lloyd of New York was elected Bishop Coadjutor of the Diocese of Southern Virginia.

The Rt. Rev. Thomas F. Davies, Bishop of the Protestant Episcopal Diocese of Michigan, died Thursday night.

CAN'T BE SEPARATED.

Some Maysville People Have Learned How to Get Rid of Both.

Backache and kidney ache are twin brothers. You can't separate them.

And you can't get rid of the backache until you cure the kidney ache.

If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys.

Mrs. J. B. Gibson, of 22 East Fourth street, Maysville, Ky., says:
"The prompt and thorough action of Doan's Kidney Pills should recommend them to every one suffering from backache or kidney troubles. I have known the value of this remedy for several years. Its use in my case proved to me that it is a reliable kidney cure and cannot be excelled for backache or weaknesses of the kidneys. I have recommended Doan's Kidney Pills before and I should advise every sufferer to get a supply at J. Jas. Wood & Son's Drugstore and try them."

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

A \$5 Suit of XTRAGOOD Clothes Free to the Best Boy Detective

The man who sells XTRAGOOD boys' clothes for Ederheimer, Stein & Co., Chicago, is coming to see us within ten days. We will give free any XTRAGOOD suit in our store to the first clever boy under 16 years of age who finds THIS man before he leaves town.

WHAT YOU MUST DO

When you think you have found the right man, say to him: "You are from Ederheimer, Stein & Co., Chicago, and sell XTRAGOOD Clothes." Remember these words. If you say anything else he will not answer.

While this is giving the little men considerable attention, we are yet mindful of the fancies of those who have passed the happy age of sixteen. IN MEN'S CLOTHING and Furnishings we have all that good dressers desire.
